

STATEMENT OF PURPOSE

RS23216

This legislation will remove the sunset clause to Idaho Code 46-805, which established the National Guard Youth Challenge Program, a multi-phase youth intervention program intended to improve the education, life skills and employment potential for Idaho students who have withdrawn from high school before completion.

FISCAL NOTE

Private contributions, federal funds and state alternative secondary school funding will be used to support the program. In the event that moneys for any fiscal year are inadequate to fund the youth challenge program, the program shall be discontinued.
